Counseling-cont'd

*Registration for next year's classes and 6-year plan meetings for all students begins on December 13 and runs until the end of February. Students will receive a presentation on December 13 and 14 and have time to make preliminary course choices by December 22. These choices will be reviewed with the student's school counselor in one-to-one 6-year plan meetings to make sure they align with future goals. Please encourage this by having conversations about what your child is thinking about doing after high school. Please also encourage them to make preliminary choices in FOCUS between December 13-22. These courses can be adjusted later in the one-to-one meetings with their school counselors. Lastly, schedules can be adjusted in August during the schedule change process. Schedule changes will not be made once the school year begins.

6 Year plans
Academic Advisement, College and Career Planning

We discuss:

- Student interests and abilities
- Goals, dreams, aspirations
- Reality check up and how to align with goals
- Options and opportunities like CCBC, completers + internships

Meeting students where they are
and helping align them to where they want to go.

School Counselors meet with each of Perry Hall's 2,000 students individually.

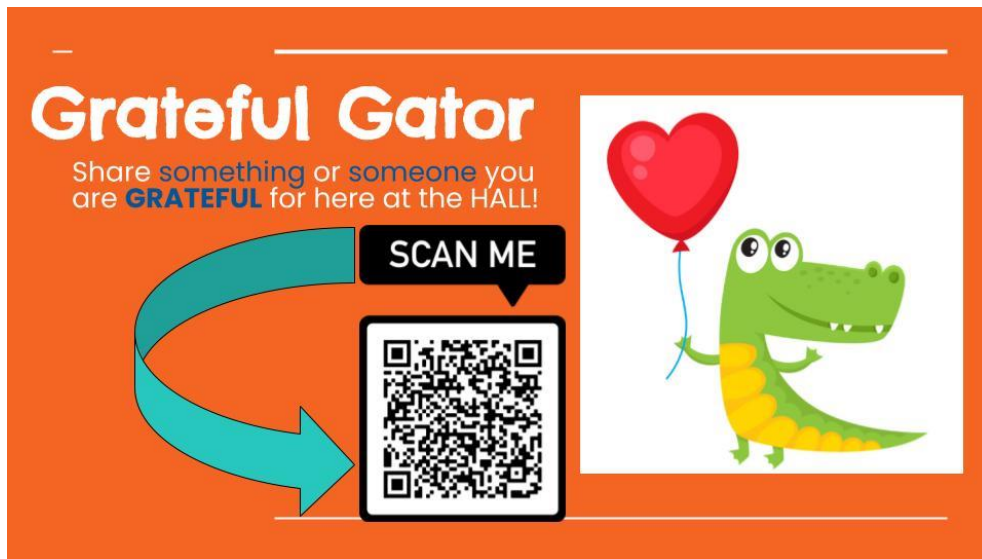

The diagram shows a cycle of three blue arrows: 'Military' (with a soldier icon), 'Job, Trade Training' (with a forklift icon), and 'College 2/4 year' (with a school building icon).

All you have to do is reach out to Ms. Strauss and she will have bags ready for you to take home by the end of the day or for your parents/guardians to pick up. If you have any questions, stop by room 150-B and speak to Ms. Strauss.”

Student Spotlight

- Congratulations to Priya Kozich who was selected to perform in the All-County Jazz Concert!

<https://vimeo.com/774809868>

- Towson, MD – Six Baltimore County Public Schools seniors have been selected to serve as student pages for the 2023 legislative session of the Maryland General Assembly.

The students are:

- **Josie Choe**, Dulaney High School
- **Maja Durkovic**, Eastern Technical High School
- **David Klein**, Towson High School
- **Aima Raza**, Western School of Technology
- **Gabriella Wiggins**, Franklin High School
- **Finian York**, Perry Hall High School

The program, created in 1970 by House Speaker Thomas Hunter Lowe and approved by the Maryland State Board of Education, is designed to foster student leadership, educate students about the legislative process, and promote youth interest in government. Student pages are engaged in activities such as distributing materials and messages to legislators, maintaining bill books, and assisting visitors.

During the 13 weeks of the legislative session, which runs from the second week in January to early April, each page will serve for one week during the first seven weeks and returns for a second week of service during the last six weeks of the session.

Each page is paid a stipend of \$55 per day worked to help defray expenses. The page office arranges for students from outside of Anne Arundel County to stay in page housing near the State House for the cost of \$25 per night.
