From the Principal

Greetings PHS Families,

It is hard to believe that Marking Period 1 is wrapping up already! Please take time to log into Schoology to check on your child's progress and reach out to teachers and counselors for support as appropriate. We want all of our students to have a strong finish! Marking Period 1 ends on Friday, November 3rd.

Mark your Calendars

- Thursday, November 2nd – Make-up Picture Day
- Friday, November 3rd – 3 Hour Early Dismissal – Marking Period 1 Ends
- Monday, November 13th – Schools Closed – Professional Development Day

Cell Phones & Parental Controls

Many students continue to be distracted by cell phones which negatively impacts their achievement. Research also tells us that there is a significant correlation between the amount of time teens spend on phones/social media and mental health disorders. We understand the need for families to communicate during the day, however students do not require unregulated internet access during the school day. The most efficient and effective way to help your child reduce their cell phone use in school (while maintaining their ability to communicate with you, and you with them) is to set screen time. Both Apple and Android have a FREE suite of tools to assist you:

[Apple Parental Controls](#)

Apple has an entire suite of tools for parents to use on iPhones and iPads. You can set permissions to download apps, set content/privacy restrictions, set a screen time passcode for screen time management, and more. All of these are **free in your iPhone settings** app.

[Android Parental Controls](#)

Android has several options in the settings app that include setting screen time limits, managing what apps your teen can download, and more. All these options are **free on your Android phone**. This page also has options for your Alexa and other Google products as well.

For additional tools to monitor apps and social media, consider these tools and services:

This is an app that has a premium service linked to it where you can pay a monthly fee for more complex monitoring. It includes a dashboard and scheduling feature, as well as monitoring of your child's social media activities.

This is another app that charges a monthly fee but is highly rated. It will filter out websites, blocks inappropriate content, monitors calls and messages, as well as all web activity.

Another highly rated premium monthly fee app for parents. This app contains notifications about potential cyberbullying or mental health issues via its premium suite of tools.

Student IDs & Make-up Picture Day

We are pleased to provide all PHHS students with photo identification cards. Students' ability to demonstrate they are a member of our school community with a Student ID is important in ensuring the safety of students and staff. During the week of October 23rd, students will receive their photo ID in English class.

Beginning Monday, October 30th students will be expected to carry their Student ID at all times during school and at all school sponsored events. Student IDs will be required to purchase tickets, enter athletic contests and school events, and check out library books. Students should be prepared to show their ID to any staff member when requested. The cost to replace a lost ID is \$5.00.

Make up picture day for students who missed the original date or would like a retake will be November 2nd. Any student who did not receive an ID or who would like to request a pass for make-up picture day should complete the form [HERE](#) or email Mrs. Richardson Lrichardson3@bcps.org.

Update for Seniors: We understand seniors' Student IDs were not included in the first round of distribution. For those seniors who have already had their senior portrait taken, those IDs will be delivered in the next week or so. For those having senior portraits in November, you'll receive your ID at a later date. Thank you for your patience.

AP Capstone Diplomas

The AP Capstone Diploma is an advanced high school diploma program developed by the College Board, the same organization that administers the Advanced Placement (AP) program. It is designed to provide high school students with an opportunity to engage in college-level research, writing, and critical thinking skills.

To earn the AP Capstone Diploma, students must successfully complete both AP Seminar and AP Research, as well as four additional AP courses of their choice and earn a score of 3 or higher on the AP exams for those courses.

Last year, only 15,800 students in the world earned the AP Capstone Diploma. Here are our diploma recipients for 2023. Post-secondary plans are included for graduates.

AP Testing

Information about AP Testing/ Opting out deadline.

Q: If the test is free, when/why would I be charged a fee?

A. When a student joins AP classroom they are automatically registered for the AP Exam for that course. If a student wishes to opt out (not take the exam) they need to email Ms. Fischer afischer@bcps.org requesting the opt out before November 1st. Students (and their AP teacher) will receive a message back confirming the opting out. If a student doesn't receive a confirmation from Ms. Fischer they should reach out again (check the spelling of the email: afischer@bcps.org). The student and their AP teacher will receive confirmation from Ms. Fischer of the opt out. This also includes students who dropped an AP class. They need to be dropped from the AP Classroom by Nov. 1 to avoid a test being ordered.

Description of Fees associated with AP testing	Cost Per Exam
Late order fee (If you opt out and change your mind) Exams ordered between November 1 and March 15 for full-year or first-semester courses incur a late order fee. This fee doesn't pertain to students that transfer into the school.	\$40 per exam
Unused/canceled exam fee If you decide after the November ordering deadline not to take an exam that was ordered for you, the charge is \$40 per exam instead of the full exam fee. The \$40 fee applies to any unused or canceled exam, including an exam ordered for a student who qualifies for a College Board fee reduction. It's important to tell your AP coordinator if you decide not to take an exam. Failure to sit for this exam still incurs the \$40 fee. This fee doesn't apply if you transfer out of a school.	\$40 per exam

Counseling-Seniors

Attention Senior Families – The Free Application for Federal Student Aid (the FAFSA) is undergoing many changes. Because of this, it will NOT open on October 1st. A final date has not been set but we anticipate that it will open in December. Because of this, we are cancelling our October Financial Aid evening and will reschedule it once we have more details.

Below is a general information sheet. Even though you cannot complete the FAFSA until December, you CAN begin the process by obtaining an FSA ID for students and contributors (parents). That way, when it does open, you are ready to go!

Go to <https://studentaid.gov/fsa-id/create-account/launch> to get started!

Big FAFSA[®] changes are here

Different doesn't mean bad: we've got your back so you don't miss a beat. Completing and submitting the Free Application for Federal Student Aid (FAFSA[®]) just got easier, but you will want to know about changes too so you're prepared!

What do you need?

If you're a dependent student, you'll need this information for you and your parents.

- ✓ You and your parents will need an FSA (Federal Student Aid) ID to access the FAFSA[®] and sign the form electronically. The FSA ID must be obtained at **studentaid.gov** before you start the FAFSA[®], and we recommend applying 3-5 days before you plan on starting the FAFSA[®].
- ✓ Your Social Security number
- ✓ Your parents' Social Security numbers
- ✓ **What do you no longer need?** Student and parent tax documents. All of this information will be automatically accessed from the IRS through the FUTURE Act Direct Data Exchange (FADDX).

Keep in mind that filing the FAFSA[®] is free—you should never be asked to pay to complete the form.

If your financial aid status has changed, you must complete the FAFSA[®] with the information required, and then follow up with your school's financial aid office for further advice.

To be eligible for federal financial aid, you must file the FAFSA[®] for each year you'll be in school.

Don't miss out on financial aid. Get more information at salliemae.com/gofafsa
